

**RESOLUTION**

**WHEREAS**, The Montgomery County Bar Association meeting was held on March 7, 2013 with a majority of our members in attendance. The purpose of the meeting was to review and assess the proposed e-filing system to be used in relation to civil cases in Montgomery County. Representatives of the proposed vendor, Goodin Associates Ltd., Circuit Clerk Holly Lemons and Circuit Judge Doug Jarman made the presentation of the proposed e-filing system.

**WHEREAS**, at the March 7 meeting the proposed system was demonstrated by Goodin Associates Ltd. The draft proposal of the local standards was distributed and explained. Bar members were given the opportunity to ask questions and offer comments and input on the proposed system. The proposed system was discussed at length by the members of the bar. After the discussion, it was resolved that the proposed e-filing system for Montgomery County is approved and that the Circuit Clerk and Chief Judge Schwarm should apply to the Supreme Court for approval of the proposed e-filing system.

**DATED** this 14 day of March, 2013.
